

# THE BLACKSTONE

## The Past Meets the Future

Located in the heart of the Chicago Cultural Mile, **The Blackstone** has been a destination for U.S. Presidents, Hollywood royalty, and other discerning travelers for more than a century.

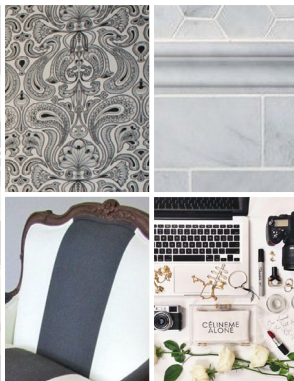

In **Spring 2017**, this legendary hotel proudly joins Marriott's **Autograph Collection**, following a stylish rebranding that includes a \$12 million refurbishment of its lobby, guestrooms, and public spaces.

Ushering in a new era in lifestyle travel, the modernized design with clever, historic twists will transform The Blackstone from a **landmark destination** with an epic past to a landmark destination with a **vibrant 21st century presence**.

## Branding & Vibe

Combining industrial design with a hand-made richness and modern-day sensibility, The Blackstone's aesthetic will **transcend time**, blurring the boundaries between past and present.

Serving as an **arts and culture curator** for its guests, the hotel will shine the spotlight on writers and rappers, world-class museums and indie galleries, celebrating its **rich legacy and location** on the Chicago Cultural Mile.
